WHO IS GSLA?

Founded in 1998 to represent a growing assisted living industry, the **Georgia Senior Living Association (GSLA)** is the state trade association representing all senior living in the state of Georgia. GSLA exists to offer premier education, advocacy, and partnership opportunities to its Provider and Industry Partner Members.

GSLA's reach within the senior living industry is deep and continues to grow. GSLA's member communities represent over 55% of the state-licensed beds (25+). The Association's education and communications reach is well over 3,900 and accounts for more than 85% of the professionals in the industry. Georgia's leading owners, C-suite executives, regional representatives, and decision-makers call GSLA their home association for education, advocacy, and partnership opportunities.

WHY SPONSOR, EXHIBIT, AND ADVERTISE?

GSLA education and partnership events attract over 2,000 senior living professionals annually. The annual GSLA Conference & Trade Show is the largest tradeshow of its kind in the southeast and, in 2022, saw nearly 700 industry professionals, including C-suite executives, regional directors, executive directors, sales and marketing professionals, clinical staff, operations, dining services, maintenance, and partners. The conference provides attendees with the most up-to-date information on the latest technologies, regulations, best practices, care, and services, plus new ideas to make their work lives manageable. There are lots of events, fun, and food throughout the entire Conference, and it is an excellent opportunity to break the barrier with new clients while cultivating relationships with existing partners.

This year we will celebrate 25 years of GSLA and senior living in Georgia. The theme "Beyond all Limits" focuses on building our industry and our businesses back into the visions we once had and all of the places that we can go. We plan on fulfilling ALL SORTS of dreams! Over the few years, senior living communities have survived a pandemic, occupancy issues, a workforce crisis, funding deficits, and much more. Within these poignant conversations, we are going *Beyond all Limits* to improve the lives of seniors in Georgia.
