Personal Care Homes Rules 111-8-62 Rules and Synopsis Initial Adoption**

To Whom It May Concern:

[YOUR ORGANIZATION BOILERPLATE INFORMATION HERE].

[ORGANIZATION NAME] supports the proposed amended and updated rules for both the Personal Care Homes and Assisted Living Communities in Georgia. We appreciate the Department of Community Health's efforts to care for the aging population in our state by allowing us to create safe, dignified, home-like environments for seniors to age in place. We are asking that DCH take an intentional approach to the care that is offered to residents, the staffing concerns that arise within this area of care, and the accessibility and affordability offered to residents.
